TOOLS TO GROW

As the first financial wellness system, we’re working to put the tools of wealth-making into everyone’s hands, so Americans can save and invest every day!

Round-Ups make it possible to invest spare change.

Acorns Later is the easiest way to save for retirement, no matter what you do for a living.

Found Money helps you earn rewards that can grow into bigger rewards when you shop.

Grow your knowledge with our original money content in your app, because knowledge is power.

Spend is the first checking account with a debit card that saves and invests for you so you can spend smarter.

From acorns mighty oaks do grow. With more than 4.5 million investment accounts opened, we’ll keep finding ways to make it even easier to grow your oak!
The research was conducted anonymously by SurveyMonkey and commissioned by Acorns. This survey was not directed at Acorns customers. Any response collected from a customer was coincidental. The survey questionnaire was written by Acorns and conducted in November 2018, using SurveyMonkey’s nationally representative online research panel.

The sample population consisted of 3,403 Americans, comprised of 1,767 females and 1,636 males between 18-44, across the following segments: 1,027 respondents aged 18-24, 1,354 respondents aged 25-34 and 1,022 respondents aged 35-44. The margin of sampling error for the full sample is plus or minus 4.1 percentage points at the 95% confidence level.
